Understanding Cryptocurrency Investment Scams

With the rise in popularity of digital assets such as Bitcoin, cryptocurrency investment scams have become a growing concern for many Canadians.

At Rapport – A Division of WFCU Credit Union, we work hard to keep you safe from financial harm. To help protect members from cryptocurrency investment scams, we've developed the following list on our corporate website to provide you with key watchouts for a variety of scams.

Invest in the Growth of the Credit Union

Now that you're an official part of the WFCU Credit Union family, you can invest in our growth!

Earning a premium rate of return, WFCU Credit Union Investment Shares are a long-term investment that is perfect for your TFSA, RRSP, or RRIF. With no fees or commissions, this unique investment option allows you to invest directly in the credit union's performance and growth while earning a premium rate of return. At a cost of \$1 per share, with a minimum purchase of 500 shares, learn more on our corporate website, about this exciting opportunity to watch your investment and WFCU family grow, together!
